Some prerequisites may apply. Costs shown are based off of FAA required minimum training hours under FAR Part 141/61 and our course structure. Individuals training times may vary. The above prices are listed at the pre-payment rate. Pre-payment for flight training and/or aircraft rental (commonly referred to as block time) must be purchased in blocks or increments of \$1000 and must be renewed prior to dropping below \$250. Books and supplies are estimated to be \$400 per course. Designated Pilot Examiner fee for check rides is \$300. Prices are subject to change.
